

Safety Training

The Ohio Administrative District Council of Bricklayers and Allied Craftworkers offer's its members the following Safety Training Courses to a build better, safer workforce.

Safety Training being offered December 2008 through March 2009

NOTE: You must pre-register for the classes available. To register you must submit a check to the OADC of BAC in the amount of \$20.00 unless otherwise noted. Most classes will be refunded to you for attending the class. This helps us to curb abuse of the Safety Training classes and to assist in keeping most classes free to attendees. For questions and registration call the OADC Safety Instructor – Don Mays at 330-382-9600. Classes can also be registered for using the link on this website.
